VP Harris, and the Border Czar question

**March 21, 2021**

Pres. Biden: "I've asked her, the VP, today to lead our efforts with Mexico and the northern triangle and the countries that help or are going to need help in stemming the movement of many folks stemming the migration to our southern border. It's not her full responsibility and job, but she is leading the effort. When she speaks, she speaks for me, with presidential authority." He turns to her and says, "Madame Vice President, thank you. I gave you a tough job."
